

CAREER OPPORTUNITIES

Begin your career with McGill today

We currently employ just under 400 people across Scotland and our employees are our most important asset. We welcome applications from motivated and enthusiastic individuals looking for a challenge and who wish to be part of a dynamic team.

We have opportunities available for experienced professionals, graduates and trainees, as well as those vitally important support staff such as accountants and administrators. We can also offer apprenticeships to those starting out in their careers.

We have a culture of encouraging employee development and nurturing from within. We want to develop our employees and build on their strengths, allowing them to provide the best possible service and innovative solutions to our customers.

EXPERIENCED PROFESSIONALS

We require high calibre and competent professionals to drive our business forward. In return for your commitment you will be rewarded with an attractive salary and benefits package.

Confident and adaptable you will be given the independence and support to get on with working on high profile projects.

We regularly recruit for the following roles -

- Estimators
- Quantity Surveyors
- Project Supervisors
- Project Managers
- Designers

QUALIFIED TRADES PEOPLE

The operatives on the ground are the backbone of our business and we expect the very best from them in terms of skills and service levels.

We require experienced and well mannered operatives for every type of location from working on a new build site, refurbishing an occupied hospital or school, installing new kitchens and bathrooms in council housing, to working in the homes of private customers.

We prefer to employ all trades directly, building teams of experienced, knowledgeable individuals who care about the projects they work on and give their very best to ensure that as a team, we secure the next project. We regularly recruit the following trades -

- Electricians
- Heating Engineers
- Joiners
- Painters
- Plasterers
- Plumbers
- Roofers
- Security Engineers

YOUNG TRAINEES AND GRADUATES

We take great pride in our community and we like to be able to give something back. We aim to create sustainable employment to secure the future of our industry by giving young people the opportunity to progress to a fully fledged career in construction, furthering their skills and knowledge along the way.

We are currently looking for trainees or graduates to join our Estimating and Surveying Teams.

You will be intelligent, motivated and good with numbers and we require the following –

▪ *Trainee Estimator*

We are looking for someone who is either a final stage apprentice or has just left school with a minimum of B passes in Maths and English at Higher Level and has an interest in working in construction.

▪ *Trainee Surveyor*

We are looking for someone who has an HNC or HND in construction or building related subjects, or has completed a degree in Quantity Surveying, and wants to further their development.

All of our career opportunities are advertised on our website so please check regularly for the latest vacancies
